COLLECTION POLICY

Health insurance policy is a contract between you and your insurance carrier. Insurance does not relieve the patient of financial responsibility, any cancellation fees will be charged to you and not your insurance company.

ASSIGNMENT OF BENEFITS

I assign my insurance benefits to DR. RICHARD YIP / DR. JASON YIP / DR. MICHAEL KIM. I agree to pay for all non-covered services/fees. I understand that it is my responsibility to know my insurance benefits.

We hope you understand the need for these policies and we thank you for allowing us to participate in your medical care.
